

Computer / Tablet Recommendations

SVUSD has a Bring Your Own Device (BYOD) policy, which means students are allowed to bring their own computer, tablet, or smartphone to use for academic purposes, if their teacher approves.

No student is required to purchase or bring any device. Classrooms are supplied with Chromebooks, tablets, or computers when needed for instruction. Students may bring their own devices, or use a school-provided device.

If you choose to purchase a device for use at a school, please make sure it meets these minimum criteria:
