

Dear Trabuco Hills Supporter:

As you know, Trabuco Hills High School has been the high school of choice for thousands of families throughout south Orange County for nearly 25 years. Every single one of our families has left a distinctive mark on this wonderful campus and we thank you for supporting this fine public institution.

To commemorate the great efforts of our Mustang Family, we have created an extraordinary opportunity for our families, present and past, along with business partners of this great high school, to have an everlasting legacy built right into its framework. Trabuco Hills High School (THHS) and the Trabuco Hills Educational Endowment Association, Inc. (THEEA) are creating a Legacy Wall located right outside our football stadium. This opportunity is being offered to you through the solid and traditional architectural element of an engraved ceramic tile that will be proudly installed for public display on our new Legacy Wall. These timeless and distinctive tiles will be laser engraved with the text of your choice. The patented laser engraving process on each mounted tile will ensure that your words will stand the test of time without fading, chipping or ever becoming illegible. This new wall is currently being constructed and will be ready for public viewing in the spring of 2009.

In addition to this piece of lasting Mustang lore, your financial contribution towards these beautifully crafted tiles will raise significant and much needed dollars for the high school through THEEA, a newly formed non-profit organization of alumni, parents, staff, and business leaders, who are committed to raising funds to supplement an ongoing education budget crisis affecting our high school students. The money raised by the THEEA will dramatically impact our classrooms, technology offerings, facilities, and various programs, that separate THHS from other public high schools in Orange County and beyond.

Showing your support through tile engraving is a wonderful way to honor, commemorate, congratulate or show your undying passion for a loved one, an event, a sport or simply even an unforgettable time in your life. Inscribing a tile for someone is a wonderful way to congratulate a Trabuco Hills High graduate, remember an individual who is greatly missed, announce a birth, wedding or send a birthday wish. Are you a THHS Alumni or friend filled with timeless Mustang pride? Do you have a family member who's fallen in love with a THHS sport or program? Is your company a supporter of Mustang Athletics and proud to show its support? The Mustang Legacy Wall is the perfect location to have a piece of your personal history prominently memorialized.

We hope you take advantage of this extraordinary Legacy Wall opportunity and thank you for your support of Trabuco Hills High School and the students that pass through its halls.

Sincerely,

Mark C. Wells
