Dear Parents:

The Saddleback Valley Unified School District is pleased to provide transportation to co-curricular and athletic activities. To reduce the financial encroachment on the district's instructional program, our district suggests a donation of \$75.00 per sport, per student. This includes Band, Drumline, Colorguard, Pep Squad, Choir and Drama. District funded transportation will be provided for away athletic contests and band, music and drama competitions limited to Orange County only. Transportation is not provided for athletics on Saturdays, Sundays or holidays, excluding season of sport and CIF playoffs.
