The 7th grade textbook is, *McDougal Littell: Math Course 2.*
The Pre-Algebra textbook is, *McDougal Littell: Pre-Algebra.*
The Intro to Algebra textbook is, *Prentice Hall: Algebra 1.*
The Algebra textbook is, *Holt: Algebra 1.*
The Geometry textbook is, *Geometry: Applications and Connections.*

All of the above texts are directly aligned to the state framework and our own districts standards.

Students are encouraged to be organized. They should utilize their *Binder Minder* on a daily basis and keep their math papers together in a binder/folder. The **Homework Assistance Program** is under way, providing help to students having difficulty with their homework. Students are encouraged to come in at lunch to room B-5.
